

Instructions to use Voyager ZeroFP

- 1 – Open any web browser and go to <https://patients.nowraradiology.com.au/ZeroFP>
(Below screen will appear)

- 2 – Enter username and password to log into Voyager ZeroFP.

- Exams are visible based on the filter selected on the top left hand side of the window.
- Patients can be searched by entering their details either in the “Patient Name” or the “Radiology UR” search box.
- Break Glass allows the end user to search for a patient that they have not referred to the clinic.
